Roomspray Fresh Forest

Roomspray Fresh Forest

Dilute highly flammable liquid and vapor. Keep out of reach of children. Keep away from heat. Do not spray near open flame. No smoking. NEVER breathe vapors. Avoid contact with eyes; if contact occurs, remove contact lenses and flush with copious amounts of water. If irritation persists, get medical attention. Store in well-ventilated place. Keep cool. Dispose of contents and container at a collection point for hazardous or special waste in accordance with local, regional, national and/or international regulations. Contents: Methyl cyclopentylene, 4-tert-butylcyclohexyl acetate. May cause an allergic reaction. Allergic fragrance components (Cosmetics): beta-caryophyllene, santalol, coumarin, benzoin, tetramethyl acetylcyclohexanediols.

Usage: Spray 2-3 times into the air, not directly onto textiles or surfaces. Maintain a distance of approx. 30 cm. Supplied by: Promotional Care, Josink Esveg 10, 7545PN, Enschede. Produced by: Promotional Care, 7545PN, Enschede. Made in the Netherlands.
